# Statement of Warranty

## Harper Turf Equipment

*Effective January 1, 2021*

Harper Industries, Inc. (HII) warrants to each purchaser of a new Harper Product from an authorized dealer or representative, that such equipment is free of manufacturer's defects in workmanship and materials which appear while in normal service for a period of ONE YEAR commencing with delivery to the original user.

The obligation of HII under this warranty is expressly limited, at our option, to replacement or repair at a service facility designated by Harper Industries or at the manufacturing plant in Harper, KS. A part will be replaced after inspection discloses it to have been defective. This warranty does not apply to defects caused by damage or unreasonable use (including failure to provide reasonable and necessary maintenance, or by performing functions without genuine Harper accessories) while in the possession of the consumer.

Warranty is limited to parts, labor and ground freight delivery of replacement parts. HII shall not be liable for the consequential damages of any kind, including but not limited to consequential labor costs or transportation charges in connection with replacement or repair of defective parts.

This warranty does not apply to parts subjected to misuse, abuse, alteration, improper or inadequate maintenance, or normal wear.

Engines are not covered under this warranty. Refer to manufacturer's warranty for specific warranty information. Harper Industries, its agents or representatives, make or imply no other warranties.

Harper Industries makes no warranty with respect to trade accessories. They are subject to the warranties of their respective manufacturers.

ANY IMPLIED OR STATUTORY WARRANTIES, INCLUDING ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. HII makes no other express warranty, nor is anyone authorized to make any on behalf of HII.

For further information please contact your nearest Harper Turf dealer.

## Returned Goods / Warranty Procedure

*Effective January 1, 2021 (Revised 5/1/15)*

1. Contact the HII Service Department at 620-896-7381 or 800-835-1042, whenever parts need to be returned or a warranty problem occurs. An SRO (Service Repair Order) / Warranty Claim No. will be issued at that time for each shipment of parts and/or service job done under warranty. All Returns/Warranty Claims must include an SRO number in order to be processed.
2. Write SRO / Warranty Claim No. on Returned Goods/Warranty Claim form provided by HII, and fill out completely with **Dealer account number, name, date, machine information, part numbers, descriptions, etc.**
3. For Warranty Claims, HII will ship replacement parts immediately at no expense to Dealer (UPS Ground). HII will not cover the cost of expedited orders (UPS Red, etc.).
4. HII will determine if Dealer needs to return defective parts for inspection. Replacement parts and freight will initially be charged to Dealers account if defective parts need to be returned. Credit will be given upon inspection of defective parts. Replacement parts and freight will not be charged to Dealer's account if no defective parts are requested.
5. Dealer is responsible for the cost of returning parts to HII. Return postage must be prepaid; no COD's accepted. All items returned to HII must be boxed with extreme care to avoid damage during shipment. Any practical method of shipment may be used.
6. SRO / Warranty Claim Forms must be completed and defective parts must be returned to HII within 30 days from when service job under warranty is done. Late fee will be applied after 60 days and claim may be nullified after 120 days.
7. Parts returned for credit that are not under warranty should be returned within 30 days from date that RGA / Warranty Claim No. is issued. Parts must be in re-useable/re-sellable condition; parts that are damaged or altered will not be accepted and credit will not be issued.
8. Send Returned Goods/Warranty Claim Form to HII along with any defective parts. Be sure to make a copy for your records. Incomplete forms will be returned to Dealer.
9. Write SRO / Warranty Claim No. on outside of box containing returned parts and ship to HII with forms enclosed inside.
10. All parts must be cleaned of excess grease, oil, etc. Cylinders, hoses and pumps must be drained of oil or a clean-up fee may be charged. Any charges assessed by the freight company to HII for shipping oily, greasy, unclean parts will be charged back to the shipping party.
11. A restocking fee is charged for unused or slow moving parts ordered by Dealer, and returned to HII (15% of Dealer cost for parts, 5% for clutch pump kits).
12. If parts are acquired locally, rather than received from HII, HII will reimburse expense up to the cost of the comparable HII part. Write SRO / Warranty Claim No. on receipts and return to HII with forms.
13. When parts and/or receipts are received, HII will review warranty claims, and a determination will be made.
14. Dealer's account will be credited. COD customers may request a check.
